1.1. The Conditions set out below shall apply and are incorporated into any contract for the hire and/or sale of goods ("equipment") between Chainsaws & Mowers 2006 Ltd (the "Owner") and the person hiring or buying the equipment ("Hirer") ("Contract"). The Owner reserves the right to change these Conditions without notice. Any amended Conditions will be placed on Chainsaws & Mowers 2006 Ltd's website (www.hireshop.net.nz) and shall apply with effect from the date they are placed on the website unless the amended Conditions specify a later date from which they are to apply.

2. CHARGES

2.1. Equipment may be hired for: a) Half Day, b) Daily, c) Weekly or d) Monthly or e) as agreed to in writing. The relevant hire period is set out in the Contract. The "hire periods" are as defined in clause 2.2, provided that the Hirer agrees that the Owner may charge extra on a pro rata basis for any equipment usage in excess of the hire periods or the maximum usage times as set out in clause 2.2. Certain equipment may carry minimum hiring periods. The Hirer shall not be entitled to a refund or reduced hire charge if the Hirer chooses to return the equipment to the Owner before the end of the agreed hire period.

2.2. Hire periods and "maximum usage times" are:

- "Half Day" means 4 hours or overnight providing the equipment is picked up after 4.00pm and returned by 8.30am the following day (maximum usage time 4 hours);
- "Daily" means 8 hours (maximum usage time 8 hours);
- "Weekly" means 6 days (maximum usage time 48 hours); and
- "Monthly" means a calendar month (e.g. if pick up on the 18th of a month, return is to be by 4.00pm on the 17th of the following month (maximum usage time 180 hours).

2.3. The hire period begins from the time the equipment leaves the Owner's premises and runs until the equipment is either returned to the Owner at the place of hire, removed by the Owner pursuant to clause 4, or when the Contract is terminated pursuant to clause 5.

2.4. The Hirer shall pay as invoiced for the hire period for all equipment used, loss and insurance charges (if applicable), delivery/removal costs, excess use charges, any damage to or loss of the equipment, cleaning costs (if any), and default interest for late payment.

2.5. If the weekly charge rate is less than the accumulated daily hire charge, the weekly rate will apply.

2.6. Cleaning fees will be assessed and charged if the Hirer returns equipment that the Owner deems (in its sole discretion) to be excessively dirty.

3. PAYMENT AND DEFAULT INTEREST

3.1. All charges are inclusive of GST unless otherwise indicated and the Hirer shall pay the charges where indicated.

3.2. For hire of equipment, unless the Hirer has a credit account with the Owner:

3.2.2. on return of the equipment in good order and condition, the actual total charges will be calculated and the Hirer will either

pay the balance outstanding, or be refunded with the difference between the bond paid by the Hirer and the actual total charges.

3.3. Unless otherwise agreed in writing by the Owner, the Hirer will pay, or the Hirer's account will be charged with, the cost of insurance, the amount of which is specified in the Contract (see clause 9).

3.4. For purchase of equipment, the Hirer will pay the Owner the agreed price. Risk passes to the Hirer on delivery of the equipment.

3.5. For credit account customers, the Owner will send the Hirer an invoice for charges incurred. The Hirer must pay the invoice by the 20th of the month following the date of invoice. The Owner reserves the right to reverse any previously agreed discount for credit account customers if the account is not paid by the due date.

3.6. The Owner will not accept any claim for credit received more than one month after the date of invoice.

3.7. The Owner reserves the right to apply payments received in any manner the Owner determines.

3.8. Without prejudice to the Owner's other remedies under these Conditions, at law or otherwise, the Hirer will pay default interest at the rate of 3% per month per calendar month on all outstanding amounts from the end of the agreed hire period (for cash customers) or from the 20th of the month following date of invoice (for credit account customers), until all monies have been paid in full.

3.9. The Hirer must make all payments due under the Contract (time being of the essence) without set-off or deduction of any kind.

3.10. No credit shall be extended on overdue accounts.

3.11. The Hirer's obligations to pay charges and any other sums to the Owner shall continue despite any mechanical defect in or breakdown of, theft of, or accident or damage caused to the equipment.

7. HIRER'S OBLIGATIONS

8. PERSONAL PROPERTY SECURITIES ACT 1999 (PPSA)

8.1. The Hirer acknowledges that title to hired equipment remains with the Owner at all times. Equipment purchased from the Owner remains the property of the Owner until paid for in full.

8.2. Hire or acquisition of the equipment may create a security interest in the equipment. If so, this document constitutes a security agreement for the purposes of the PPSA and the provisions of this clause 8 apply. All terms in this clause 8 have the meaning given in the PPSA and section references are sections to sections of the PPSA.

8.3. On the request of the Owner, the Hirer shall promptly execute any documents, provide all necessary information and do anything else required by the Owner to ensure that the security interest created under the Contract (including these Conditions) constitutes a perfected security interest in the equipment and their proceeds which will have priority over all other security interests in the equipment.

8.4. The Hirer will pay to the Owner all fees and expenses incurred by the Owner in relation to the filing of a financing statement in connection with the Contract.

8.5. The Hirer waives its rights under sections 114(1) (a), 116, 120(2), 121, 125, 126, 127, 129, 131, 132, 133 and 148 of the PPSA.

9. DAMAGE WAIVER

9.1. The Hirer hires the equipment at the Hirer's own risk and indemnifies the Owner against any and all loss in respect of any loss of or damage to the equipment including any consequential loss unless the Hirer pays for the damage waiver, subject to this clause 9.

9.2. The Hirer shall pay for the damage waiver unless written confirmation of suitable insurance cover that is satisfactory in every respect to the Owner in its sole discretion is provided by the Hirer and approved in writing by the Owner prior to the Hirer taking possession of the equipment. If the Owner is not satisfied with the Hirer's compliance with this clause, the Owner may decline to hire the equipment. The Hirer is not entering into a contract of insurance with the Owner by paying for the damage waiver.

9.3. Subject to payment by the Hirer of the excess (clause 9.7) and except for the exclusions set out in clauses 9.4 to 9.5 and subsections thereof, if the Hirer has paid for the damage waiver, the Hirer shall not be liable to the Owner for any loss of or damage to the hired equipment or any consequential loss or damage incurred by the Owner and/or any third parties during the term of hire PROVIDED THAT the Hirer:

9.3.1. has at all times acted reasonably and with reasonable care;

9.3.2. has delivered to the Owner (within 24 hours of the time when the Hirer first becomes aware of the loss of or damage to the equipment) a complete correct written report of the circumstances of such loss of or damage to the equipment, including, in the case of any loss appearing to result from any criminal act, an applicable police complaint acknowledgement form; and

9.3.3. Rendered such assistance and done such other things as the Owner shall have reasonably required for the purposes of enabling the Owner to recover such loss or damage, including from any potentially responsible third party.

9.4. The damage waiver does not cover:

9.4.1. Theft of or criminal damage to equipment unless reasonably locked and secured;

9.4.2. Damage or loss due to misuse, abuse or overloading of the equipment or failure to take reasonable care of it, including any overloading of any motors or other electrical appliances or devices;

9.4.7. Loss or damage to any equipment or items on which the damage waiver is not charged;

9.4.8. Loss or damage of the equipment arising from a breach by the Hirer of the conditions of the Contract; or

9.4.9. Loss or damage from the use of the equipment in violation of any statute, regulation or by-law.

9.5. In addition to the above, special conditions or exclusions may apply depending on the nature or location of the Hirer's use of the equipment and these will be notified to the Hirer prior to the equipment leaving the Owner's premises. Any breach of those special conditions will constitute a breach of the Contract.

9.6. The parties agree that section 11 of the Insurance Law Reform Act 1977 will apply with respect to the exclusions in clauses 9.4 to 9.5 as if this clause 9 constituted a contract of insurance (notwithstanding that this clause 9 is not a contract of insurance).

9.7. **Excess:** Notwithstanding payment of the cost for the damage waiver, in the event of any loss, theft or damage to the equipment which is covered by the damage waiver, the Hirer must pay an excess charge. The excess will be an amount equal to 50% of the full replacement cost for the equipment, subject to a maximum of \$5,000 plus GST for any one item of equipment, or as otherwise detailed in the Contract .

10. LIMITATION OF LIABILITY, INJURY OR DAMAGE TO HIRER, THIRD PERSON OR PROPERTY

10.1. In entering into the Contract, the Hirer acknowledges that the Owner has no liability to the Hirer for any direct or indirect or consequential loss or damage or for any loss of profit (or any other form of economic loss) arising in connection with the Contract (whether in contract or in tort) including that resulting from the negligence of the Owner, the use by the Hirer of the equipment, or arising by operation of law. Without limiting the foregoing, the Owner is not liable for any indirect or consequential loss or damage including any loss of profit or other loss

10.2. Subject to the exclusion of liability in clause 10.1 above, the maximum aggregate liability of the Owner for all claims made by the Hirer, whether as a result of any breach of the Contract or on any other ground or terms whatsoever (including liability as a result of tort, including negligence) will not exceed:

10.2.1. in the case of any equipment purchased by the Hirer, an amount of \$2,500; and

10.2.2. in the case of any equipment hired, the lesser of the hire charges paid by the Hirer to the Owner pursuant to the Contract and three months' hire charges paid by the Hirer to the Owner pursuant to the Contract.

10.4. Nothing in the Contract affects the Hirer's rights under the Consumer Guarantees Act 1993. If the Hirer is acquiring or hiring the equipment for the purposes of a business, the provisions of the Consumer Guarantees Act 1993 do not apply.

10.5. If the Hirer is purchasing equipment, then except as prohibited by law, all guarantees in respect of the equipment, whether express or implied, are excluded.

10.6. The Owner makes no warranty or representations as to the state, quality or fitness of the equipment for any purpose and no such warranty shall be implied. For the avoidance of doubt, no warranty shall be implied by the description of the equipment on the face of this form or by the provision of information relating to the proper operation and maintenance of the equipment. Any equipment sold is secondhand and is sold as is.

11. NOTICES

11.1. Notices shall be properly served on a person if delivered by hand or left at or posted in any prepaid letter addressed to that person at either the job address or any other address of the Hirer specified on the face of this Contract. The Hirer's application to hire equipment may be declined or the hire terminated if the Hirer fails to provide requested personal information. The Hirer can access and seek correction of any personal information by contacting the Owner. The Hirer agrees that its personal information may be used by the Owner to advise the Hirer of the Owner's other goods and services.
